License To Carry (LTC) A Handgun Class

This class is not to teach the student how to use a firearm.

Student must provide the following equipment:

- A Pistol **OR** Revolver may be used for Qualification (rental is available)
 - Either a Semi-Automatic or Revolver may be used to qualify. And either may be carried after you are licensed.
 - Must be at least .22 caliber and in good working condition.
 - Handguns are subject to inspection by the instructors prior to training and at any time during the training course.
 - No optical sights allowed (example: scopes, laser, or holographic)
 - No handgun may have any modification which compromises the safety of the weapon.
 - Upon arrival, leave guns and ammo in your vehicle.
- Ammunition
 - Recommended ammunition brands are listed below.
 - 50 rounds needed to shoot the course.
- Protective clothing
 - Ear protection (ear plugs or over-the-ear)
 - Eye protection (prescription eyewear is acceptable)
- Additional item for proficiency demonstration
 - One hand towel on which to lay your handguns and ammunition during qualification.

ADDITIONAL INFORMATION:

- A written examination and proficiency demonstration will be administered to each student. Students must score a minimum of 70% on the written examination and 70% on the proficiency demonstration to pass this course.
- Instructions on handling handguns at the proficiency demonstration will be provided during classroom training. (Holsters will not be used, handguns must be stored in a closed carrying case/bag, no time will be allotted for practice or to zero in the handgun during the class)
- Students must abide by all range safety rules. Failure to comply with safety rules will result in immediate removal from the range, and result in course failure.
- No family members, guests, pets, photographs, or recordings will be allowed in the classroom or on the gun range.
